

The Toby Wells Foundation "Making a Difference"

The Toby Wells Foundation, formed in January 2001 and funded by the Wells Family and a growing number of individuals and corporations, supports not-for-profit organizations within San Diego County, focused on delivering programs that enhance the lives of youth, persons with disabilities and animals.

BLUE APPLE * RANCH *

Blue Apple Ranch enriches lives through the rescue, rehabilitation, and compassionate care of at-risk equines while providing education, public awareness and therapeutic activities for both people and horses alike.
